Your page should look like this. Click on the “Copy link” and send that link to anyone – teammates and the judges – to give them access to your folder.

The screenshot shows the Google Drive sharing interface. At the top, there is a section titled "Share with people and groups" with a person icon and a plus sign. Below this, it says "No one has been added yet". The main section is titled "Get link" with a link icon. A green box highlights the URL: <https://drive.google.com/drive/folders/12-mJMnG2SIDt2ji0fVZCwcFecpK6p...>. To the right of the URL is a blue "Copy link" button. Below the URL, there is a dropdown menu showing "Anyone with the link" and a sub-menu showing "Anyone on the internet with this link can view". To the right of this is a "Viewer" dropdown menu. At the bottom right, there is a blue "Done" button. At the bottom left, there is a link "Send feedback to Google".
